Overcoming Our Jericho
Joshua 5-7

Remember You Are Called To God's Side, Not Him To Yours!

5:13-15

"Joshua asked, Are you for us or for our enemies? Neither, he replied, but as commander of the army of the LORD I have now come."

Whose Side Are YOU On?

Obey God Even When You Don't Understand

Obedience

- God's commands do not depend on our ability to explain how they will work
- Faith takes God at His word and expresses itself through obedience
- Continued obedience matters, especially when you cannot see progress

Ask Yourself

What clear instructions from God are you postponing because obedience seems difficult, ineffective, or costly?

Faithfully Keep Your Word

Integrity

- **Faithfulness includes remembering commitments when circumstances change.**
- **Neither victory nor defeat gives us permission to neglect integrity.**

Ask Yourself

Is there a commitment I need to honor to God, my spouse, my children, my church, or someone else?

Understand Faith Is a “Team Sport”

Community

- Your choices affect people beyond yourself
- Hidden sin can damage our families, weaken trust, and hinder our shared ministry
- We cannot treat our disobedience as though it concerns only us

Ask Yourself

Am I hiding something that can hurt those that trust me?

What steps of confession, repentance, and restoration should I take

Today, Ask Yourself

- Surrender: Am I on God's side? Or my own?
- Obey: Will I follow His Word even when I don't understand?
- Integrity: Do I keep my word? Honor my commitments?
- Responsibility: How are my choices affecting others?
