Our Response To Jesus Has Consequences

- God sent Jesus to “save” us
- We stand condemned **ALREADY** without Jesus
- We have to turn to God, and look to Jesus
- That is not our natural response

Unless we look to Jesus, surrender to Him and give Him our life, we stay in our sin; spiritually dead and separated from God eternally.

Penn Jillette

“I’ve always said that I don’t respect people who don’t proselytize. I don’t respect that at all. If you believe that there’s a heaven and a hell, and people could be going to hell or not getting eternal life, and you think that it’s not really worth telling them this because it would make it socially awkward—and atheists who think people shouldn’t proselytize and who say just leave me alone and keep your religion to yourself - how much do you have to hate somebody to not proselytize? How much do you have to hate somebody to believe everlasting life is possible and not tell them that?”

Two Responses To The Message

- **Tell those who have spiritual questions about Jesus!**
- **If YOU have never been spiritually “born again” make that decision now.**
