How To Seek God

Psalm 63

Page 400

The Problem David Faced: Spiritual Thirst

- ❖ I know you are my God
- ❖ I remember when I felt your presence
- ❖ I know nothing else satisfies

The Plan David Followed

- ❖ Earnestly will I seek you
- ❖ Regularly will I praise you for your blessings
- ❖ Intentionally will I lift you up
- ❖ Joyfully will I sing to you
- ❖ Daily will I think about you
- ❖ With all my strength will I pursue you
- ❖ Always will I position myself close to you

Conclusion

David says to God...

**When I can't SENSE You or SEE You
I will CHOOSE to SEEK You!**

*The closer we walk to our shepherd the safer we
are, and the more His peace will fill our hearts.*
