Psalm 23

My Cup Overflows

Notice The Need

- **Both had a need for water**
 - ~She only had the supply for the physical
 - ~Jesus had the supply for the spiritual
- **We have needs as well**

Be Willing To Let Others Help

- He needed her help physically
- She needed his help spiritually
- She didn't KNOW she needed his help
- We sometimes over our need as well: Cover it up

We Have To Avoid False Satisfaction

- She chose relationships as her cover up
- Our poison may be different...but it's there!

Reflections

How Full Is Your Cup Tonight?

- **Do you KNOW Him**
- **Are you MAINTAINING your connection**
- **Have you leaked without knowing it!**

- **Come to Him**
- **Ask to be filled**
- **Draw from Him**
