Authority

Why Do We Learn From Jesus?

Authority is having power, right or delegated influence in others life

The Sermon on the Mount is not...

- >Not suggestions from a respected religious leader
- >Not some moral actions to help you be a better person
- >Not a list of self-improvement options
- >Not a buffet of religious activities to choose from

Authority

Why Do We Learn From Jesus?

Def: Authority is having power, right or delegated influence in others life

The Sermon on the Mount is....

- >Ground rules and expectations for a follower of Jesus
- >God's message to us through His Son of what a disciples life should be like by power of Holy Spirit
- >A set of expectations to be lived out, not options to be selected from
- >Not a list of things to know, a person to become

Goal

Understand What It Means To Learn From Jesus

Jesus doesn't just want us to know what mercy is, He expects us to become a merciful person!

3 Step Process

Content: *Hear my words +*

Conformity: *Put them into practice =*

Character Changed: *Become like Jesus*

Attitude

Jesus Came to Elevate the OT, Not
Eliminate It!

- *Actions are important, but we can't stop there*
- *The Pharisees had actions right, but not attitude*
- *God expects the actions to come from the heart*
- *You have heard it said...but I say:
Jesus elevates...not eliminates the OT*

Reality

Overflowing Life Doesn't Exempt Us From Life, It Empowers Us to Overcome!

- *Both of built*
- *Both used same materials*
- *Both experienced same trials and tribulations*
- *One had resources the other did not*
