Overflowing Love is Visible

*Vs 1: Jesus showed them...or...
He loved them to the end*

- *to the end:* *Time: all the way until He left*
- *To the uttermost:* *Quality: to the full extent possible*

*People in our life need to SEE God's love...not just hear
us talk about it!*

Overflowing Love is Intentional

Vs 4-5

- *He rises...*
- *He takes off...*
- *He wraps...*
- *He pours...*
- *He washes...*
- *He dries...*

Our love for people needs to be intentional and purposeful, not sporadic.

Overflowing Love is Sacrificial

Vs 5

- *Knowing his time was done*
- *Knowing the Father put all things under his power*
- *Knowing he had come FROM the Father*
- *Knowing he was returning TO the Father*

Jesus chose to humbly and sacrificially lay down his rights and serve the ones he loved!

Overflowing Love is Non-Judgmental

- *Jesus looked beyond Peter's limitations to his potential*
- *Jesus looked beyond Judas' betrayal and loved him*

Who is God calling you to love the way Jesus loved?

Overflowing Love is Practical

- *Jesus looked at what needed to be done*
- *Jesus looked at what no one else was willing to do*
- *Jesus didn't argue about importance, he saw need*

*What practical way can you love the people in your life
this week?*
