

Intro: Remember what it's like when you are saying goodbye to someone for what you know is going to be a long time? Maybe you are moving...Or you are sending a young adult off to college...Or You are leaving a job you love... When you are saying that kind of goodbye...You make SURE you get in what is REALLY Important. You say: I LOVE YOU! You say: Drive Carefully You Say: Take care of your Brother/Sister/Mother/Father AND THEN: You say: REMEMBER TO.....And add the most important thing...even if you said it 100x before!

That's what Jesus does when He is saying goodbye to His disciple's right before He leaves this world for Heaven. He reminds them...and YOU and I of our Mission
