Riva Trace's Awanas are going racing! Our Pinewood Derby is set for Friday, Feb. 22nd in our gym at 7pm. Besides tons of great racing, our kids will be collecting non-perishables to benefit RTBC's food bank. Come join us for the excitement and bring some cans of food. It will be awesome and everyone who attends the event hears the good news that God loves them and sent His Son to rescue them from sin. The event helps to build a bond between kids and their parents as they work together to prepare the best car ever. Parents, and grandparents as well, are drawn into the creative excitement of helping their young people participate.

We have car kits in 8 different shapes that kids can choose from when they signup. The cars will need to be sanded and painted by the kids. Sign up forms are available at the check in area.
